

Cameran Ashraf, Ph.D.

cameran@cashraf.com | <https://cashraf.com>

Citizenship: United States of America

EDUCATION

University of California, Los Angeles Doctor of Philosophy, Geography. 2015

Dissertation: *The Spatiality of Power in Internet Control and Cyberwar*

Universiteit van Amsterdam Certificate, Digital Methods. 2011

California State University, Fullerton Master of Arts, Geography. 2009

California State Polytechnic University, Pomona Bachelor of Science, Geography & Business Administration (Cum Laude). 2005

ACADEMIC EMPLOYMENT

Central European University, Department of Public Policy – *Vienna, Austria & Budapest, Hungary*

Assistant Professor of New Media & Global Communications, 2016 – Present

Faculty Affiliate, Center for Media, Data, and Society

University of California, Los Angeles, Department of Geography

Lecturer, 2014 & 2016; Teaching Associate & Fellow, 2011-2015

California State Polytechnic University, Pomona, Department of Geography and Anthropology

Lecturer, 2009-2010

California State University, Fullerton, Department of Geography

Research Assistant, 2007-2008

NON-ACADEMIC EMPLOYMENT

Wikimedia Foundation

Human Rights Lead, Jan. 2021 – Present

- Coordinate with Legal and Public Policy teams to build and mature organizational expertise in identifying, mitigating, and addressing human rights concerns.
- Work with allied organizations to identify geopolitical trends and best practices in human rights and disinformation.
- Identify pathways to resilience for communities and work with them to adopt impactful, scalable approaches in support of human rights.
- Understand and provide input to the strategic goals of the Wikimedia Foundation's public policy and global advocacy to ensure alignment on best practices and communications on human rights and disinformation.

Azadi Digital Archive for Human Rights, Justice, and Accountability

Founder & Director, Oct. 2022 – Present

- Created one of the world's largest human rights investigative archives preserving documentary evidence from the 2022-23 Women, Life, Freedom protests in Iran.
- Part of global human rights investigative consortium for United Nations investigations with Amnesty International, UC Berkeley Human Rights Center, UCLA Promise Institute for Human Rights, Mnemonic, and the Iran Human Rights Documentation Center.

Open Society Foundations

Deputy Director, OSF Internship for Rights & Governance, Aug. 2018 – Sept. 2019

- Developed global clinical human rights seminar and workshop with director.
- Reviewed and revised human rights education module for grantees.
- Facilitated all seminars and taught on human rights, technology, and digital security.

ICT for Human Rights

Co-Founder & Executive Director, Apr. 2013 – Jul. 2019

Software development, training, and tactics for human rights defenders

- Set organizational vision and managed experienced team of human rights technologists through multi-year freedom of expression projects.
- Led mobile, hardware, and software research and development focused on censorship circumvention, digital communications security, and online civic participation.
- Organized secured hosting and digital security training for international organizations, groups, and NGOs.

Independent Human Rights and Technology Consultant, Jun. 2011 – Apr. 2013

- Worked with American and international governmental and non-governmental organizations
- Managed small team of software developers through multiple projects.
- Secured grants for development of software tools to aid freedom of expression.
- Advised and trained human rights defenders NGOs on digital security.

Expression Technologies

Co-Founder & Executive Director, Nov. 2010 – Sept. 2011

Providing technology solutions to human rights activists in closed societies

- **Secured \$2.1 million U.S. Department of State Internet Freedom subgrant.**
- Provided digital security services to human rights defenders across the Global South.
- Led development of secured hosting and communications infrastructure.

AccessNow

Co-Founder, President, & International Projects Director, Jun. 2009 – Nov. 2010

Defending and extending the digital rights of users at risk around the world

- **Finalist, 2010 Sakharov Prize for Freedom of Thought** – In recognition of work supporting Iranian activists, selected by the European Parliament as finalist for the 2010 Sakharov Prize, the European Union’s highest human rights honor.
- Provided secure hosting to vital human rights and democracy groups around the world.
- Distributed secure communications tools used by thousands of at-risk individuals.
- Facilitated more than 3 million video downloads from inside Iran from 2009-11.
- Developed national, international, and corporate human rights policy recommendations.

AWARDS AND HONORS

First Place, Google Global Voices Advocacy Essay Competition, 2015 for “Who do we lose with Internet censorship and control?”
University of California Institute on Global Conflict and Cooperation, Herbert F. York Global Security Dissertation Fellowship, 2013-2014.
University of Oxford, Selected Participant to Summer Doctoral Programme at Oxford Internet Institute, 2013
University of Toronto, Full Scholarship, Connaught Summer Institute on Monitoring Internet Openness and Rights, 2013
University of Toronto, Selected Participant to Connaught Summer Institute on Monitoring Internet Openness and Rights, 2013
University of Amsterdam, Selected Participant to Digital Methods Program, 2011
University of Pennsylvania, Digital Methods Initiative Full Scholarship, 2011
UCLA International Institute Fellowship, 2010-2012.
Sakharov Prize for Freedom of Thought, European Parliament, shortlisted and finalist as co-founder of AccessNow, 2010.
Third Place, Graduate Paper Competition, California Geographical Society Annual Conference, 2007.
Third Place, Innovative Application of GIS, California State Polytechnic University, Pomona GIS Expo, 2004.

Academic Honor Societies

Phi Kappa Phi, Honor Society, 2009; Pi Gamma Mu, International Social Science Honor Society, 2004; Beta Gamma Sigma, Business Honor Society, 2004; Mu Kappa Tau, Marketing Honor Society, 2004; Golden Key International Honor Society, 2004

TEACHING & GUEST LECTURES

Central European University 2016 - Present

SOPP 5244: Introduction to Cyberconflict

SOPP 5245: Geopolitics of the Internet

SOPP 5268: Internet & Human Rights (cross-listed International Relations & Human Rights)

SOPP 5311: Skills for Impact: Digital Security & Human Rights

Open Society Foundations, Internship for Rights & Governance Clinical Seminar 2018 & 2019

The Internet & Human Rights
Digital Security: A Workshop

University of California, Los Angeles (Lecturer) 2014 & 2016

GEOG 138: Place, Identity, and the Networked World

University of California, Los Angeles (Teaching Associate & Fellow) 2011 - 2015

GEOG 140: Political Geography

GEOG 7: Introduction to GIS

GEOG 2: Biodiversity

California State Polytechnic University, Pomona (Lecturer) 2009 - 2010

GEO 351: Geography of California

GEO 101: Physical Geography

Invited Guest Lectures

“Challenges for Artificial Intelligence and Human Rights Online” Department Seminar, Department of Political Science, Central European University, April 2022.

Careers in Human Rights panel, CEU Career Services, Central European University, February 2021

Academic Practice Workshop, Panel with Doctoral School of Political Science, Public Policy and International Relations, Central European University, January 2019.

“Academic Freedom in the Digital Age” Panel with School of Public Policy and Department of Political Science, Central European University, January 2019.

“Case Selection and Case Events” in Research Design and Qualitative Methods. Professor Thilo Bodenstern, Central European University, January 2018.

“Orality, Literacy, and Technology” in Sound Studies: Listening & Creating Between the Material, Medium, and Metaphor. Instructor Ian Cook, Central European University, Nov. 2017-18.

SPP Faculty Practitioner Career Talk - Brown Bag Lunch Series. Central European University, February 2017.

“The Internet and Human Rights” in the undergraduate class Human Geography. Instructor Aline Gregorio, Department of Geography, California State University, Fullerton, March 2011.

“New Communications Technologies and Iran’s Green Movement” in Place, Identity, and the Networked World. Professor Michael Curry, Department of Geography, University of California, Los Angeles, November 2010.

“Strong Ties, Weak Ties, and Iran’s Green Movement: A Response to Gladwell” in The Cultural, Ontological, and Digital – Global Perspectives. Professor Ramesh Srinivasan, Department of Information Studies, University of California, Los Angeles, October 2010.
